

Pledge of Service

- I agree to visit once every month or two weeks as I am available or is allowed by the institution in which my friend is housed,.
- I agree to be matched with my friend for a minimum period of one year.
- I will regularly pray for my inmate friend, my relationship with my inmate friend, my fellow mentors, the ministry staff, institution staff and chaplains and all areas of this ministry.
- I will notify PTFM of any change in my address or phone number or status that may affect my position as a mentor.
- I know of no moral reason why I should be restricted from mentoring. I understand that I am not legally responsible for the conduct of my friend, but I do have a moral responsibility to live an exemplary life before my inmate friend, to the best of my ability.
